English Heritage is recreated
in a modern manner in this room.

The framed panels on the wall are arranged
in an original pattern, and the imposing
asymmetrical cornice moulding creates an
optical illusion.

This interior shows that a grand style with
strong mouldings can be enormously
successful.

Baroque is back, but that does not necessarily mean artistic excess - as this interior demonstrates. The decorative mouldings and corner features,

inspired by the past, generate an array of lines and shadows without being obtrusive.

The image shows a modern interior space, likely a lounge or waiting area, with a wall covered in white, quilted, square panels. A sign is mounted on the wall, featuring the Maserati trident logo at the top, followed by the word "MASERATI" in large, bold, serif capital letters. Below this, the phrase "EXCELLENCE THROUGH PASSION" is written in smaller, sans-serif capital letters. At the bottom of the sign, the word "Club" is written in a large, bold, serif font. In the foreground, two light-colored, quilted lounge chairs with dark metal frames are positioned on a dark, reflective floor. A small, dark, rectangular table is placed between the two chairs.
